

- **Press Release Template**

“Alton Jamison is a dynamic speaker who has the remarkable ability to captivate audiences in so many ways that very few speakers are capable of doing.” **Student, Old Dominion University**

From the classroom to the boardroom, Alton Jamison is the living embodiment of making it against all odds. Alton’s unique style of speaking, his personal story of triumph, and his innovative presentations separates him from the ordinary motivational speaker.

Alton is a powerful award winning speaker who will leave the audience more than satisfied. His acclaimed programs are impacting people for a lifetime, not just a moment. His life models his teachings and he has been on a pursuit to making this world a better place for more than a decade.

A former successful engineer in Corporate America, Alton is now a full time professional speaker and entrepreneur. Prepare to be blown away and experience why Alton is one of the country’s most engaging and dynamic speakers.

He will be speaking at _____ located at _____ on _____ at _____ am/pm.

- All media are welcome to attend and can interview Alton Jamison after the event.
